MEMBERSHIP APPLICATION

The Middle Atlantic Planetarium Society is an official regional association within the International Planetarium Society (IPS), comprising the states of Maine, Vermont, New Hampshire, Massachusetts, New York, Rhode Island, Connecticut, New Jersey, Pennsylvania, Delaware, Maryland, Virginia, and West Virginia. However, membership is open to anyone working in or having an interest in planetariums, living anywhere on Earth (we have no extraterrestrial members yet). Members may attend annual conferences.

Your annual \$25 membership fee also entitles you to receive our quarterly newsletter, *The Constellation*. This can be obtained either on-line or by regular ("snail") mail. We encourage members to choose the first alternative, for financial and environmental reasons. You will also receive conference proceedings, and have access to on-line membership services. You can find out more information about MAPS at our Web site at www.mapsplanetarium.org.

Payment may be made by check or money order, purchase order, or (most conveniently) using PayPal on our Web site. If you use a purchase order, please make sure your name appears somewhere: MAPS memberships are for individuals, not institutions, and I need to know for whom the P.O. is intended! This also means that only the individual named may attend the annual conference under that membership. Memberships are good for the calendar year, beginning January 1. If I receive your application late in the year, I may, at my discretion and/or your request, make your membership good for the following calendar year.

If you have questions, don't hesitate to ask. We look forward to your being a part of our society!

(return lower portion with your check if possible)

NAME _____

INSTITUTION NAME _____

ADDRESS (*Home or work?*) _____

CITY, STATE, ZIP _____

PHONE _____

E-MAIL _____

I wish to receive the newsletter, *The Constellation*, by the following method:

ON-LINE REGULAR MAIL BOTH

Optional information (*but this would really help us!* ☺):

IPS member? Y N Type of facility? Fixed Portable Both Neither
